

Cisco Academy Questionnaire:

Name: _____

So I can better help you attain your educational goals, please follow the instructions below and answer a few questions about you.

Instructions:

Please take the index card and on the lined-side:

1. Above the red line at the top of the card, place your name, last name first.
2. Below your name, please put your telephone number in case I need to contact you immediately.
3. Below your telephone number, please write your email address; an email address that you check frequently.
4. Below your telephone number, please write your mailing address.
5. Below you mailing address, please write your Tri-C student ID number.

Please answer the following questions that I have about you:

What background in IT do you have beyond routine computer-user tasks?

What is it about the prospect of working in IT that appeals to you? If you already work in IT, what aspects of the career appeals to you?

Do you have any background in networking? If so, what have you done and how much experience do you have?

Is earning a CCENT or CCNA certification your goal? If so, why is certification important to you?

If you have declared a degree major, what is your chosen major?

Are you ready to work hard and sacrifice something to obtain your goals? What are you willing to sacrifice?
