Dear Cisco Student:

I am very happy to be here. There is nothing else that I would rather do this year than to be your teacher here at Cuyahoga Valley Career Center.

I will treat you with the same respect and maturity as you display in our classroom. If at any time you feel that I have not treated you fairly, please make an appointment to see me after class and we will discuss any issues.

My most important goal to achieve here at Cuyahoga Valley Career Center is to help *you* learn as much as *you* possibly can so *your* life will be more successful (it's all about *you*). Please be considerate of your classmates' need for knowledge and my need to teach.

Let's have a great year!!
